We will be forming implementation groups to work between now and the next Summit - sometime in the spring 2014. These groups will meet at least once a month to plan for how to implement the recommendations from this Summit, as well as determining in more detail the indicators needed to track progress over time in "turning the curve" on opioid abuse/overdose in the four contributing areas.

Sign up for the following implementation work group(s):

Prevention

Harm Reduction

Treatment

Law Enforcement/Criminal Justice/Public Safety

If you have other expertise to offer to this initiative - whether or not you sign up for an ongoing implementation work group - please indicate that here:
